

Agenda Meeting 06.03.2015

Course : Embedded Systems
Group : 16

President : Maarten
Secretary : Tudor

1. Attendance
2. Minutes last meeting
3. Feedback
 1. Machine Design
 2. Work Plan
4. Status
 1. Software Specification
5. Questions
 1. Software Specification
 1. Can we decide to add the display as an output at a later stage or should we decide on that now?
 2. Mid-term presentation
 1. Mister Van der Woude said we would hear about how the resit will take place, on the 3rd of March in the afternoon. Unfortunately we didn't. Is there any new information on this?
